Become a Friend of AARC

The Alberta Adolescent Recovery Centre offers a community of care where young people, their parents, peer counsellors and specially trained staff work together. AARC treatment is a long-term, semi-residential program based on the 12-Step model, leading to total abstinence. Above all, AARC is for families — families united against addiction.

AARC is committed to making treatment affordable. The majority of AARC's clients receive a subsidy provided by donations and fundraising initiatives. Eligibility for help is based on need.

With 18 holes of golf at one of Alberta's finest courses, fabulous prizes, sumptuous meals and inspirational stories of recovery from AARC graduates and alumni, AARC's Tournament of Miracles is a memorable and fun day out in the mountains. All proceeds will support treatment fee subsidies for families of substance dependent adolescents aged 12 - 21. Help us ensure no youth in need is turned away because of financial difficulty.

As a Friend of AARC, you will receive one entry to play in the tournament, valued at \$300. You will also be recognized as a Friend of AARC at the event. If you play in the tournament, or send another to play in your place, you will be issued a charitable receipt for your \$1,000 contribution less green fees and meal expenses (to be finalized post-tournament). If you donate the spot back, to be used by a AARC graduate or guest, you will be issued a receipt for the full \$1,000 you contribute.

Your support could allow AARC to offer a young person and their family a second chance. Thank you for considering our request!
